

Facility Managers,

Syntec Concrete Coatings is an Arizona; family owned business and has been doing business in Arizona since 1995. We specialize in concrete overlays and coatings, which include concrete resurfacing, acrylics, epoxies and stains.

**We provide a number of services that we know will handle your resurfacing needs:**

**Overlays**

- Tile
- Slate
- Flagstone
- Lace Knock-down
- Full custom
- Travertine
- Paver

**Staining**

- Acid
- Acrylic

**Thin film**

- Epoxy
- Polyurethane
- Acrylic
- High Build Slurry

**Syntuff™**

Uses a proprietary system that simulates a granite look and feel. It is great for borders or slip hazard areas.

**Maintenance**

- Coating repairs
- Periodic reseals
- Clean and reseals
- Concrete repair

**Product offerings**

- Syntec Acrylic Concrete Coatings
- State-of-the art Epoxy coatings
- Polyurethane, Solvent and Water Based Sealers
- Acid Staining
- Conductive/Electrostatic Coatings
- Vapor Treatments

**We can apply our products to:**

- Pool decks
- Patios
- Garages
- Sport courts
- Spa pads
- BBQ pads
- Sidewalks
- Ramps
- Curbs
- Vertical walls
- Concrete Furniture

We would welcome any opportunity to provide our services for your facility. Please feel free to contact us at anytime should you require an estimate or further information.

**Let us make your dreams a reality!**

## **Pools, Patios and Pavement**

## **Sport Courts and Epoxies**

**Specialty Designs**  
**Where Dreams Become Reality!**  
**And Estimates Are Always Free**
